## Accommodation, Interior And Exterior Description

---

The magnificent deckhouse saloon offers a refined space for formal dining and lounging, boasting spectacular sea views and meeting the expectations of modern living.

### **ACCOMMODATION:**

The Yacht is designed and outfitted to accommodate 12 guests and 7 crew.

**Master Cabin:** Offering luxurious accommodations with all details.

- Totally 30sqm located at aft side.
- King size bed and 2-seaters
- Sea views from both sides.
- Seperate wearing room
- Functional writing table
- Large bathroom

**Guests Cabins:** This vessel features two double guest cabins (13m<sup>2</sup>), each with a private closet and bathroom. Additionally, three twin guest cabins provide a separate shower.

The arrangement of the guest accommodation was tailored to offer clean, relaxed geometry within the spaces, whilst ensuring generous stowage and en-suites. Soft edges and geometry in the furniture, with generous handrails in transition spaces, feed into the comfort of the guests.

**Crew Area and Accommodation:** Crew accommodations are thoughtfully designed with the captain's cabin and three double crew cabins located at forward side, complete with private bathrooms and separate showers. A fully equipped galley, crew mess and dry storage.

**Main Salon/Dining:** It is 48sqm ; seamless access to the main salon is provided by electric sliding doors on both the port and starboard sides of the aft deck. The spacious main salon invites to relaxation with U-shaped sofas, coffee tables, and bar area. A formal dining area features an U-shaped sofa for 8 guests and dining table for 10 guests, and bar area for 3-seats.

**Galley:** The double-L-shaped galley is clean, contemporary, and fitted out with the best appliances. The design has also allowed for substantial extra freezer space forward.

### **The yacht's interior features:**

Luxury and comfortable cabins  
Moisture resistant treated hardwoods.  
High quality marine insulated plywoods w/MED Certified  
Waterproof adhesives.  
Veneer with UV-resistant finishes and coatings.  
Advanced vibration and sound solutions.  
Honeycombed strength substructures.  
Flame-retardant upholstery and soft furnishings.  
Genuine leather headboards from Marine Leather in Italy.  
Decorative wall sconces.  
Luxury lighting solutions from BCM and Cantalupi Lighting.
